# WITH WHITE MEAT AND RICE

## COMPOSITION

Meat and derivatives 37% (chicken 8%), cereals (rice 10%), oils and fats, plant-based by-products (dried beetroot pulp 2%), dried and powdered Yucca schidigera stalk 0.03%, vegetable protein extracts, sugars (fructooligosaccharides-FOS 0.3%), eggs and egg products, yeast (dried brewer's yeast), minerals, molluscs and crustaceans (glucosamine from the hydrolysis of crustacean exoskeletons 0.03%).

## ANALYTICAL COMPONENTS

Crude Protein 30.0%, Crude Fat 20.0%, Crude Fibres 2.5%, Crude Ash 7.7%, Calcium 1.8%, Phosphorus 1.2%. Metabolizable energy: 4,030 kcal/kg.

## ADDITIVES

Nutritional additives: Vitamin A 18,700 IU/kg, Vitamin D3 1,250 IU/kg, Vitamin E 135 mg/kg, Vitamin B1 (thiamine mononitrate) 2.5 mg/kg, Vitamin B2 (riboflavin) 6.8 mg/kg, Vitamin B6 1.8 mg/kg, Vitamin B12 0.05 mg/kg, Niacin 22 mg/kg, Folic acid 0.3 mg/kg, Calcium D-pantothenate 16 mg/kg, Choline chloride 1,500 mg/kg, Iron sulphate (II) monohydrate (Iron: 62 mg/kg), Copper sulphate (II) pentahydrate (Copper: 12.5 mg/kg), Manganese sulphate monohydrate (Manganese: 6.2 mg/kg), Zinc sulphate monohydrate (Zinc: 80 mg/kg), Calcium iodate anhydrous (Iodine: 1.9 mg/kg), Sodium selenite (Selenium: 0.19 mg/kg).  
Technological additives: Antioxidants. Sensory additives: Olive leaf extract (Olea europaea L.) 800 mg/kg.

Complete, balanced dry food for every breed of puppy and growing dog. Prepared with selected ingredients, it contains meat protein, rice, beetroot pulp, glucosamine, fructooligosaccharides, yucca schidigera and olive extract. Its rich composition also makes it suitable for pregnant and nursing females because it provides nutritional ingredients in sufficient quantities to meet their greater needs.

Chicken provides high palatability, rice provides easy-to-digest carbohydrates and beetroot pulp is a source of food fibre which helps to maintain good bowel transit.

Olive extract contains polyphenols, useful natural antioxidants, responsible for the numerous beneficial effects of olive products, the main component of the Mediterranean diet.

**Daily use of TRIPLO® pet food with WHITE MEAT AND RICE helps to reinforce your dog's physiological condition, keeping it active, in excellent physical shape.**

## INSTRUCTIONS FOR USE

Offer the product as is, in the quantity recommended in the table, divided into 2-3 meals a day, and then adjust on the basis of your puppy's physical condition, always making sure there is fresh, clean water available. The quantities shown are purely indicative as they may vary depending on the animal's level of activity and the environmental conditions in which it lives. A change in diet must be gradual.

**Kibble diameter: 8-9 mm**

## RECOMMENDED DAILY FEEDING INTAKES

| PUPPY AGE<br>(MONTHS) | ADULT WEIGHT |           |           |           |           |           |
|-----------------------|--------------|-----------|-----------|-----------|-----------|-----------|
|                       | 5 kg         | 10 kg     | 15 kg     | 20 kg     | 25 kg     | 30 kg     |
| 2-4                   | 70-103 g     | 105-170 g | 140-235 g | 165-290 g | 190-340 g | 215-390 g |
| 5-9                   | 105-115 g    | 175-180 g | 240-250 g | 295-310 g | 350-360 g | 395-415 g |
| 10-12                 | 120-130 g    | 185-195 g | 255-265 g | 310-325 g | 365-380 g | 420-430 g |
